As you are aware of the total intake of BBA & BCA programme which are mentioned in the information brochure, it may happen in the case of some candidates that admission to some or all of these courses would be over before their turn comes up. It will then not be possible to consider them for admission to any programme or institute of their choice. In such situations we do not owe any responsibility.
The academic session for the first year student will commence from 15th July, 2019. All students who will be given provisional admissions to the respective programme have to compulsorily attend from that day.
