Organ Donation Seminar

Report

On the 2nd Aug 2018, IMED organised a seminar on “Organ Donation” for the 1st year MBA students. This seminar was driven by Rotary club members. And Mr. Girish deshpane (president), Uday Kulkarni (past president), Rotrian Sayali Bhalero and Annet Manasi Bhalero were the speakers and the guests of the seminar. They were invited to aware students about the importance of organ donation and how one can be a donor.

Organ donation is giving an organ to help someone who needs a transplant. This is a medical procedure in which organ is removed from one body and placed in the body of a recipient, to replace a damaged or missing organ. This donation can be of two types:-

1. ORGAN DONATION
2. BODY DONATION

Organ donation is for the replacement of organ to save someone's life and body donation is for research purpose for medical students.

One can donate following organs:-

- Kidney
- Liver
- Heart
- Pancreas
- Eyes
- Lungs
- Skin

In India number of donors is very low as compared to other countries-

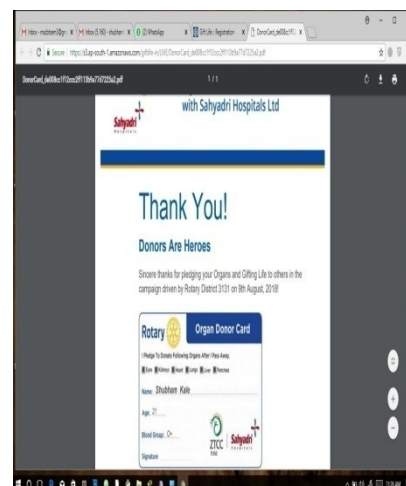

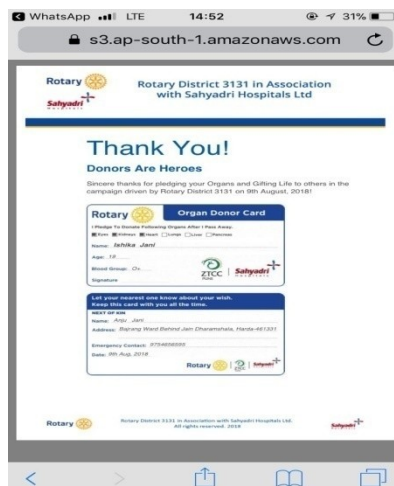

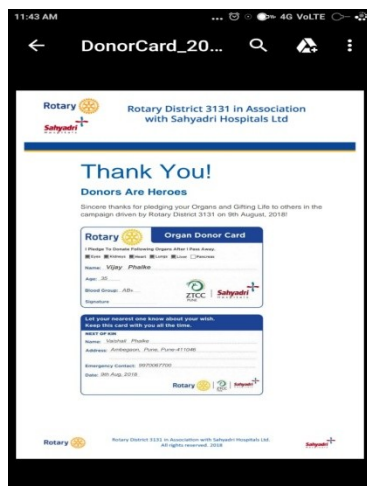

- USA: 26(Lac)
- France:17
- India: 0.8<1 that's the no. of donors in India.

The total no. of kidneys needed every year is 200000 whereas no. of transplants is 8000 only.

One can donate their organs just 6-7 hours before death or after brain dead.

Rotary club organised a event in the advent of creating organ awareness, pledging organs, which is the need of hour. They have arranged an awareness program and appealed everyone to help them in that by registering on www.giftlife.co.in and pledge organ between 11:00 am to 7:00 pm on 9th Aug 2018. Students of IMED promised them to help them in this and NSS volunteers of IMED circulated this message. So, that maximum registration can be done. And students actually shown their concern and registered themselves. Maharashtra was closed on 9th Aug and college was also closed. So, NSS volunteers asked students to register themselves and send the screenshot of their donor card, and students followed the instructions and through this they also helped Rotary club in winning the GUINNESS WORLD RECORD.

Yaarathon

Report

The event was held on the date 9th august 2018, which was conducted by love Pune (a band who performs for social causes).

They have the following causes that they support and also work for, these causes are:-

Good health

Gender equality

Climate action

Peace, justice and strong institutions

Yaarathon is happening for past 4 years and this year the same was held on 10th of august 2018, and promoted at various colleges before 10th august.

On the day of their performance in the college they started off with few songs and then a motivational speech by a renowned speaker of the band love Delhi.

They have various songs that promote gender equality, good health, climate action and peace, justice and strong institutions. They also have the theme of total environment friendly décor and interior designs.

They are also to be endorsed by the world renowned institute UN.

UN has 18 objectives to work on for the social cause and the team yaarathon has taken 4 of them as off now.

They promoted friendship and the importance of life when they conducted a session in our college.

NSS ORIENTATION

2018-19

NSS unit of Bharati Vidyapeeth (Deemed to be University), Institute of Management and Entrepreneurship Development, Pune (INDIA) organized Orientation Programme on 13th August 2018 for the newly enrolled NSS volunteers. The programme was conducted in seminar hall from 9am to 9:45am with about 50 volunteers. It was organized to make newly enrolled volunteers aware about what NSS is all about and what is its motive.

The programme was started with the registration of the volunteers which was continued with the following activities:

- Warm welcome of new volunteers to NSS with an amazing introductory speech.
- Presentation including
 - What is NSS
 - Symbol
 - Motto
 - Objectives
 - Activities done in NSS in past years
 - Activities in NSS Winter camp
 - Opportunities in NSS
 - Achievements of NSS
- Experience shared by senior volunteers working with NSS.
- Motivational speech by our Programme Officer Dr. Vijay Phalke.
- Vote of thanks.

The programme ended with the National Anthem, NSS Song and NSS clap.

At the end, the NSS diaries were distributed among volunteers. This Orientation program was organized in well systematic manner and ended with a great success.

INDEPENDENCE DAY

Report

It was a red letter day in the history of India when the country got her freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. It has been 72 years since our independence and we have come a long way.

Even after 72 years there are so many beautiful things in our country that we should always cherish as Indians. We still live the concept of “Unity in Diversity” with diverse language, culture and region.

And the most astounding fact about our country is we have 325 spoken languages and 18 official languages. We live in harmony with over 8 religions and celebrate each festival with love.

And to oblige the badge of respect to our nation the NSS Team of IMED (Institute of management and entrepreneurship development, Pune) has organized Independence Day on 15th August, 2018 to give a tribute to our nation and the freedom fighters.

The event started at 7am with its most gracious essence as our Director sir Dr.Sachin.S.Vernekar hosted the flag as the sense of integrity and peace. About 60 teachers and 80 volunteers were present for flag hosting.

After this moment the celebration was continued with singing of patriotic song “AYE WATAN WATAN MERE AABAD RAHE TU” and oath on “CLEAN INDIA” which blazed the enthusiasm of everyone.

At the college entrance there was Rangoli which was made by the NSS volunteers which makes the event more beautiful and which was like cherry on the cake.

The day went well with lots of praises and pride for NSS Team as coordination can be seen throughout the event and everything was managed in an organized way.

Dr.Sachin.S.Vernekar
(Director IMED)

DONATION FOR KERALA FLOODS VICTIMS

REPORT

“It’s a relief to hear the rain, it’s the sound of billions of drops, all equal, all equally committed to falling, like a sudden outbreak of disaster. Water, when it hits the ground, instantly becomes a puddle or rivulet or flood”

One such disastrous flood arises in the God’s own country renowned for spices: famously known as Kerala. This city was joyfully grinning into success paving waves for education, prosperity and development hardly do they know that unusual monsoon surrounding their beautiful city.

It was in late July when due to unusually high rainfall during the monsoon season , a severe flooding affected Kerala immensely.

Over 373 people died while at least 280,679 people were evacuated within a fortnight.

It was reported that Kerala received heavy monsoon on the mid evening of August 8 resulting in dams filling to capacity and flooding local low-lying areas. It was for the first time in the history when 35 out of the 40 dams were opened.

This flood resulted into destruction of the whole city impacting the lives, infrastructure and conditions of all the people.

Destruction was seen to the level that people cannot even manage to get food or any surviving necessity for them.

And for such destruction Poona College of Pharmacy in collaboration with Institute of Management And Entrepreneurship Development took an initiative to help the Kerala flood victims by donating them with their necessity material.

For this, a **“KERALA FLOOD RELIEF CAMPAIGN”** was organized in the premises of Poona College of Pharmacy on 19th August, 2018 i.e. Sunday.

Though the information was received at the last moment still all the NSS Volunteers under the guidance of Dr. Vijay Phalke (IMED,BVDU) were ready to perform this activity with full of energy and enthusiasm.

The event started around 8am in the morning and around 50 NSS volunteers participated in this event.

There were 4 teams made out of these volunteers who visited the different areas around college and collected all the necessity material like medicines, clothes, food, snacks for donation.

An example of humanity could be seen because all the people were ready to help the victims to their great extent by donating as much as they can either through money or by providing materials.

All the volunteers put all their efforts so as to collect as much material as they can. Not only collection but the volunteers were also seen donating from their side for the victims.

The collection and donation continued till 6pm in the evening after which segregation of & separation of materials started so that all the donated material could be packed well and transported for the Kerala victims.

The event ended around 8pm the evening after transportation of all the material.

Thus we were able to complete this event successfully only because of the volunteers, college students and local people living near college.

It was appreciating on the part of all the volunteers and organizing committee who took this initiative to help the Kerala flood victims through relief campaign.

Know Your Campus (KYC)

Report

The Know Your Campus event was organized by BBA 3rd year students for the BBA 1st year students under the guidance of Dr. **Vijay Phalke**.

KYC i.e. Know Your Campus is a power point presentation competition under which there were 12 mentors and they were given with 12 different topics with a group of first year students. The event is conducted with great zeal and enthusiasm among all the BBA first and third year students.

The preparation of the event started 20-25 days before the actual event took place. For this firstly the organizing committee was made that could take care of the whole event in these 20-25 days and all the requirements and will coordinate with sir and all the different committees. After the organizing committee was finalized, a formal permission was taken from our Director Sir.

Then the organizing team finalized 15 topics that were given to the each committee by sir so that they can start with their preparation. The topics for the event are listed below:

1. Bharati family and pillars of BVDU
2. IMED as whole (courses and faculty)
3. Infrastructure and facilities of IMED
4. Supporting hands of IMED
5. CRC, alumni and global community
6. Events at IMED
7. Sports and NSS (social club)
8. BVDU Erandwane campus
9. Hangout places in and around Pune
10. BVDU Katraj campus
11. BVDU Outside Pune Campus
12. Hostel Life at campus

After all the topics were decided, the next comes deciding the 12 mentors so that under their guidance the first year students can prepare for their presentation. So the mentors were and they were grouped into 15 teams as one mentor for one team, which are as follows:

S.no.	Mentors	S.no.	Mentors	S.no.	Mentors
1.	Souvil	5.	Ankit	9.	Anjali
2.	Garima	6.	Navkar	10.	Shipra
3.	Benedict	7.	Shubhendu	11.	Harshit
4.	Kartikay	8.	Dhruv	12.	Komal

Then the above topics were given to the mentors along with the first year students that were allotted to the each team. Various committees were also made so that the event could be conducted in a very good manner which were:

1. Discipline committee
2. Technical committee
3. Registration committee
4. Stage committee
5. Hospitality committee
6. Prize distribution committee
7. Video and photography committee
8. Anchoring committee
9. Prize Distribution committee

And then it comes the main day event. The event held in the Law auditorium on 21st August, 2018 from 2pm to 5pm. The event started with the registration of all the teams and all the committee members and the 2nd year students who came to see the event. After this as director sir and all the judges came there, the event started with the inauguration ceremony, felicitation of director sir followed by the felicitation of the judges and director sir's address. And then the presentations of the groups were started and after 6 presentations, there was a tea break of 10 minutes which was all managed by the hospitality and discipline committees. And after that the rest 6 teams gave their presentation and the event was then winded up with the vote of thanks.

The event was great success and managed in a very professional way by the organizers of the event and with the guidance of Dr. Vijay Phalke sir.

Kerala Flood Donation Drive

Report

In the month of July, God's own place, the state of Kerala was affected by severe floods due to unusually high rainfall during the monsoon season. It was the worst flooding in Kerala in nearly a century. More than 500 people died and many went missing.

In the purview of the situation, the NSS unit of Bharati Vidyapeeth (Deemed to be University), IMED organized a donation drive for the Kerala Flood victims on 23rd and 24th August 2018, wherein awareness about the situation was spread in the college through posters, messages, slogans, etc. A cardboard box with a poster on it was placed at the IMED entrance. The NSS volunteers took care of this activity under the guidance of our Programme Officer Dr. Vijay Phalke.

The items that were donated included:

- Medicines
- Water Purification Tablets
- Diapers
- Sanitary Napkins
- Dettol/Salvon
- Packet Food- biscuits, ready to eat foods, oats, etc.
- Mosquito Repellent
- Rubber Slippers
- Toothpaste, Toothbrush
- Towels
- Rain Coats
- Torches and Batteries
- Blankets and Bedsheets

Contributions through PayTm were also expected.

Our Director contributed and appreciated the efforts of the students. It was a successful event. Students and staff donated in huge numbers.

RAKHI FESTIVAL CELEBRATION

REPORT

Raksha Bandhan is a festival that celebrates the bond between brothers and sisters, it has the sisters tying a thread around their brother's wrist as a symbol of their love and in turn the brother pledges to protect his sister.

On 26th August 2018, NSS unit of Bharati Vidyapeeth (Deemed to be University), IMED, Pune celebrated this festival in a unique way. Our NSS Volunteers tied Rakhi to the on duty traffic policemen.

Volunteers in a team of 6-7 went to various signals of Pune. The activity took place at peak time i.e. 9am to 12 noon.

The activity was organized by volunteers and by tying Rakhi to on duty policemen on various signals gave the feeling of love, care and respect which was majorly being missed or sacrificed by them on the day of Rakhi.

The policemen in return gave blessings as it was very unexpected for them and this gesture from volunteers gave a sweet smiles on their faces.

TREE PLANTATION ACTIVITY

REPORT

NSS unit of Bharati Vidyapeeth (Deemed to be University), IMED, Pune organised the activity of tree plantation on 5th September, 2018 on occasion of Teacher's day. The activity was conducted in Erandwane campus with all the teaching and non teaching staff members, students and NSS Volunteers of IMED. The activity took place by making teams of volunteer for the smooth functioning of this event.

The activity was started at 12:45pm and continued till 1:30pm. the activity was inaugurated by Hon'ble director of IMED Dr. Sachin S. Vernekar by planting palm tree. After that whole IMED was engaged in the activity.

The motto of this activity was the awareness to Go green and plant more trees to make our environment safe. 20 different palm plants were planted by faculties and NSS Volunteers. At the end the Vote of Thanks was given by event student coordinator Aditya Kharbanda.

The activity was a great success with the help of NSS Programme Officer Dr. Vijay Phalke, all staff members and NSS volunteers.

Teacher's day

Report

5th September is celebrated as the birth anniversary of a great teacher Dr. Sarvepalli Radhakrishnan. On this occasion the NSS team of IMED, Bharati vidyapeeth, Pune organized an event to thank all our wonderful teachers.

The preparation of teacher's day event was started days before and different committees were made. The second year students were the mentors and had team of first year students. Everyone was enthusiastic and worked to give their best.

The function started at 4:30 in the seminar hall where all the students and teachers gathered. The anchors for the day were Ramnik Hundal and Fatima Asif.

The event started with the speech of one of our NSS volunteer Tejas who threw light on the importance of a teacher in the life of a student. After this the students of IMED showed their love towards their teachers in the form of beautiful songs.

This was followed by the speech of our Hon'ble Director Dr. Sachin Vernekar. He mentioned about the efforts a teacher puts onto his students.

Anushka Chadha along with her team then presented their video that was made for this special occasion. The video was dedicated to Dr. Patangrao Kadam, chancellor of Bharati Vidyapeeth. Some more spice was added to the ongoing event when the teachers disclosed their personal interest like:- Prof. Shreyas Dingankar was asked about his hidden talent to which he replied that he likes playing chess. Dr. Hema Mirzi rated herself 10/10 in dancing and told that she is very good at it, whereas Dr. Vijay Phalke when asked about his favourite actor he told it's Ranbir Kapoor. All these answers made everyone excited. Teachers and students get to know each other better.

This was headed by some more game activities conducted by Bhavya Suri. Teacher's enjoyed being there and having fun with their students.

The hospitality committee was handled by Nikhil Ruikar. All the moments were perfectly captured by Aditya. The decorations were handled by Anushka and Bhavya. The first year students were extremely helpful.

There was a lot of fun when Phalke sir and Kadam sir came on the stage and set it on fire with their songs and acting.

The event got over at 6:30. Everyone enjoyed the evening. "The real essence of teaching lies in the fact that the students do not follow you only for the reason but follows you from the heart."

IMED CLEANING

REPORT

NSS unit of Bharati Vidyapeeth (Deemed to be University), IMED, Pune organized an activity under “CLEAN YOUR CAMPUS” i.e. IMED CLEANING conducted by the NSS volunteers on 6th September 2018. The moto of the event was to clean all the floors, faculty room, seminar hall and all the classes of IMED.

In this activity, all the volunteers were allotted on different floors with their team members and they cleaned all the floors including classes, library, faculty room, seminar hall and canteen. The motive behind this activity was to clean our college and spread awareness among others about how cleanliness is important and we have to keep our surroundings clean.

About 80 NSS Volunteers participated in this activity. The activity was started at 4:30 p.m. and ended at 5:30 p.m. Volunteers also spread awareness through pasting posters on different floors and dustbins.

IMED support staff, Teaching staff and other students also cooperated and participated in the activity. The activity was managed efficiently.

ECOFRIENDLY GANESH IDOL AND RUBELLA VIRUS VACCINATION AWARENESS

REPORT

NSS unit of Bharati Vidyapeeth (Deemed to be University), Institute of Management & Entrepreneurship Development conducted an activity on awareness of Eco-friendly Ganesh and Rubella Virus Vaccination in nearby Schools on 14 September 2018.

The motive behind this activity was to aware students about Rubella virus and vaccination for its prevention and Eco-friendly Ganesh Idol.

The activity was undertaken in two shifts, 1st in morning 7:30 am to 8 am and 2nd in evening 4pm to 5pm.

A group of NSS Volunteers visited nearby schools carrying posters depicting the issues on them and conveying the message to the school students of class 2nd to 9th.

Schools visited by NSS Volunteers - **Shankarrao More Vidyalaya, Kothrud** and **Vijaymalakadam Girls school, Kothrud**

Points included in Awareness Activity

Eco-friendly Ganesh

- Eco-friendly Ganesh can be made from paper pulp, natural colors and natural gums
- “POP is made up of chemicals and is very harmful for the environment and should avoid using it.” Idol made from plaster of Paris is non-biodegradable and is badly affecting the aquatic life and water bodies.
- It pollutes the environment and kills water aquatic lives, artificial color that are used is very harmful.
- Eco-friendly Ganesh helps the environment go green as it does not pollute the water bodies.
- The natural made idol can even be immersed at home and can even grow plant in that.

Rubella virus Vaccination

- Rubella is an infection caused by virus named Rubella.
- The disease is mild and half of people do not realize that they are effected.
- It usually starts on face and spreads to rest of the body, swollen lymph nodes are common.
- Symptoms are rashes over the body, sore throat, fever.
- It spreads through air and there is no such treatment for this virus only vaccination can stop this to come.

- Children age between nine months to less than fifteen years has to go with rubella virus vaccination.
- First dose between 9 to 12 months and second age between 16-24 months.
- The vaccine is given as singular injection into the muscle of thigh or upper arm.
- Government aims to eliminate this virus completely from India by 2020.

OZONE DAY CELEBRATION

REPORT

On 17th September 2018, The NSS volunteers of Bharati Vidyapeeth (Deemed to be University), Institute of Management and Entrepreneurship Development, Pune (India) organised an event for the awareness of ozone depletion and consequences. The program was conducted in three parts

- PUC Check in the campus
- Seminar on Ozone Depletion
- Planting of Tulsi in the campus

The event was started with inauguration of PUC check by our Hon'ble Director Dr. Sachin S. Vernekar. The inauguration ceremony was held at University gate at 9:45 am. In this activity, all the vehicles passing by were given PUC check at minimal rate than market. About 200 vehicles were covered.

Another activity was conducted in the seminar hall, followed by following events:

- Introduction Speech
- Slogan writing competition (the winners awarded with 'Tulsi' plant)
- Creative dance by our NSS volunteers on pollution theme.
- Speech by our honourable director sir, Dr. Sachin Vernekar.
- Presentation by the volunteers on Ozone depletion, consequences and steps to be taken.
- Quiz related to Ozone and pollution. (the winners were again rewarded with 'Tulsi' plant)
- Vote of Thanks by NSS volunteer.

The whole event was ended by planting 10 Tulsi plants at the entrance of IMED at 4pm by our college staff, Programme Officer and NSS Volunteers.

The program was conducted in an efficient way and competed successfully.

NSS DAY ACTIVITY

(Bus stops cleaning)

Bus stops cleaning activity was conducted by NSS volunteers on 24th September 2018. It was conducted on NSS day. As we all know our honorable Prime Minister Shri NARENDRA MODI Ji had initiated to participate in “SWACHHATA HI SEVA” on 15th September 2018, so this activity was our small contribution to that mission. The motto of the event was to spread cleanliness through bus stops cleaning in Kothrud and also to clean some areas if they were found with garbage near bus stops.

This event was organized by “NSS VOLUNTEERS” of IMED, Bharati Vidyapeeth. Also this activity was planned and organized under the guidance of “Dr. Vijay Phalke”. There were 12 NSS volunteers who successfully completed this activity with full energy.

The event was started at 9:45 AM on 24/09/2018 and it was completed at 12:45 PM with the great support of Dr. Deepali sahane and Dr. Seema Tarnekar who were present during the activity. They helped the students to complete the activity successfully also they motivated the students during the activity. The activity was well coordinated and managed.

The following table is the list of the NSS volunteers who have been actively participated in BUS STOPS cleaning activity.

Meghna	Nitisha
Vaibhav	Komal
Minakshi	Manikanta
Shubham	Krishan
Shani	Sakshi
Sachin	Yamini

Bus Stops cleaned during the activity:

1. More Vidyalaya javal

2. More vidyalaya (2nd)
3. Ideal colony bus stand
4. Anand Nagar bus stand (1st)
5. Jai bhavani nagar bus stand
6. Anand Nagar bus stand (2nd)
7. More vidyalaya opposite burger king

GANDHI JAYANTI WEEK

VISIT TO AGA KHAN PALACE

REPORT

Father of our Nation Mahatma Gandhi did a lot for our country. But today we are forgetting his struggles. So, to memorize his contribution and give him tribute on his birthday, our Bharati Vidyapeeth deemed University, Institute of Management and Entrepreneurship Development, Pune organized a visit to Aga Khan Palace on 2nd October 2018 for all NSS volunteers.

In the pleasant morning at 9:30am around 50 NSS Volunteers reported there along with our faculty member Mrs. Pallavi Chopade. This palace was closely linked to Indian freedom movement, as it served as prison for Mahatma Gandhi, his beloved wife Kasturba Gandhi & his secretary Mahadev Desai. There were paintings of famous artists and portrait of Mahatma Gandhi. There was the Samadhi of Kasturba Gandhi and Mahadev Desai. We saw belongings like utensils, khadi clothes, meeting table and many more things of Mahatma Gandhi which is kept there as his memory. There was guide who helped us to know deeply about that place. We gathered lots of information from there, about life of Mahatma Gandhi.

This palace was made by Sultan Mohammad Shah Aga Khan to give employment to villagers who constructed this palace. And still today it gives employment to women; provide training for small works, which helps them to get their future earnings. This place also promotes women empowerment. The main motto of this visit was to get aware about Mahatma Gandhi and his beloved ones and give them a tribute. The visit was really good and was enjoyed by all volunteers. We get to know a lot about history of our great freedom fighter.

NSS Volunteers of BV DU IMED, Pune during the visit to Aga Khan Palace
